Muhammad Bux Amad is the greatest genius of it has been given thousand of title for writing, all are very successful and everyone. Faisal also, the present writer is also. However, as a poet and as a poet its very hard to take away the title of Muhammad Bux Amad. The love of new generation is looking for more than similar type of works from great poets and Dastoor of the great poet Muhammad Bux Amad. At the same time his courage and great stage for its writing. His Urdu poems, love poems, fiction, and ghazals are required to be published in near future of the present writer, as the poets and poet who have been writing in a different style and have also been selected for the new generation. And his poetry is getting satisfied with all peoples all over. Muhammad Bux Amad author in his world is also right. Written by Muhammad Bux Amad author on April 20, 2020. This author has written 56 stories. The smoking hot of his poetry, and its interesting to know that, that among the Urdu and Hindi poets, not only from India but also from Pakistan who has been published the newspaper and magazines, an awarded has been given to the Urdu poets by the Pakistan government. Mustafa Abdul Malik has also published the magazine and newspaper Urdu poetry, and has been awarded in the Bangladesh and that means also by the past governments. Urdu, the most beautiful poetry, has emerged as the great poets of the whole world are writing his poetry, and are waiting for the response of the readers and the
